### Program: "Energy Now and Forever"

Chemistry Demonstrations by Students from Union University, Bethel University, UT-Martin, Murray State University and West Kentucky Community and Technical College

(Located in University Center Ballroom)

## Comments from the Chair

Bam, Boom, Crash. No it's not an episode of the old Batman T.V. series, it's time for our annual demonstration show at UT Martin. Last year we had over 200 people attend, so let's see if we can even top that this year. Preceding the show we will have dinner along with our monthly meeting in the conference room adjacent to Skyhawk Café. Most importantly, on the agenda this month is the slate for election of officers. As always our chair-elect position is open so please consider serving the chapter and come out for the meeting in November to vote!

~Phil Shelton, Chair
