## Program: "Chemistry Colors Our World"

Chemistry Demonstrations by SMACS chapters from Union University, Bethel University, UT-Martin, and Murray State University

Special Guest Miss Tennessee Hannah Robison

**(Located in Watkins Auditorium)**

## Comments from the Chair

The annual demonstration program is a time our section celebrates our student members. It is always, entertaining, most often educational, and sometimes surprisingly spectacular. Be sure to attend, and bring family, friends, and students to join the fun!

~David Wing, Chair

The KLS continues its celebration of National Chemistry Week by adventuring to the Discovery Park of America on Saturday, Oct. 24th. We will be meeting at the front doors of the park at 12:30. Park admission and t-shirts are provided by the Science Center Innovative Project Grant. Please wear your Science Center t-shirt and come enjoy a day of fun! (We will have the t-shirts available for pick-up at the Oct 22nd meeting for those who are attending, everyone else who RSVPed will receive their shirt at the park.)
