## **Comments from the Chair**

Greetings KLS Family. Now is the beginning of a new year. Now is the time to resolve to participate in something great. Now is the time to resolve to learn chemistry by listening to excellent chemistry seminars. Now is the time to resolve to connect to the local chemistry community. Now is the time to resolve to take time to visit with old and new friends. Now is the time to resolve to eat delicious pork chops. To fulfill all these resolutions and more, attend the meeting this month at Fresh Market in Paris. I'm excited about what is happening in our section. Come to this month's meeting or visit our website to find out what's going on, then get involved.

~ Dr. Phillip Shelton, Chair
